Booth #	Company Description
<p>1</p>	<p>Vets Plus, Inc. (715) 231-1234 www.vets-plus.com</p> <p>Vets Plus is a science based animal health and nutraceutical company, started in 1990 in Knapp, WI. The company was started by founder and CEO Raj Lall. The company has over 150,000 square feet of manufacturing and office space. Vets Plus has formed strategic alliances with reputable animal health organizations around the world and become a leader in the industry for private label company's custom product development for 25 years. The company manufactures over 500 products in the form of soft chew, topical, tablets, and gels and jerky treats. Vets Plus has won many awards and acquired certifications, such as FMIQS, ISO 9001:2008, NASC and SQF Level 3.</p>
<p>2</p>	<p>Deerland Enzymes (800) 697-8179 www.deerlandenzymes.com</p> <p>Deerland Enzymes and Probiotics is a leading specialty formulator and contract manufacturer of enzyme and probiotic based dietary supplements. With a team of industry experts working in a state-of-the-art lab, we are poised to serve our customers from the initial stages of customized product conceptualization, through the design phase, final formulation phase and contract manufacturing services. We make significant investments in working with our customers at the early concept phase of product development in order to ensure a thorough understanding of the benefits customers are focused on delivering to their consumers. From there, we're able to customize a solution specific to our customer's individual needs.</p>
<p>3</p>	<p>AstraReal, Inc. (609) 614-6904 http://www.astrarealusa.com</p> <p>AstaReal, Inc is the largest producer and researcher of natural Astaxanthin from Haematococcus pluvialis algae source. AstaReal® Astaxanthin is 100% made in USA from algae cultivated at our state of the art indoor facility in Moses Lake, WA. With more than 140 published studies including 70 human clinical trials to date, AstaReal astaxanthin has demonstrated to show improvement in immune function, physical endurance, coat health, eye health, sleep and general well-being in animals. AstaReal® astaxanthin is a sustainable plant-based ingredient as well as Non-GMO Project Verified. AstaReal astaxanthin is truly the pet supplement of choice.</p> <p>Astaxanthin is the most powerful naturally occurring antioxidant, shown to be 6,000 times more potent than Vitamin C and 800 times more potent than CoQ10. Some antioxidants can exhibit prooxidant behavior in the presence of high concentrations of free radicals. Astaxanthin, however, does not exhibit prooxidant properties, making it a safer and healthier antioxidant option. Furthermore, Astaxanthin is one of the few carotenoids that can cross the blood-brain barrier and</p>

	<p>the blood-retinal barrier, adding a level of protection to the brain and eyes as well. AstaReal Inc. is a subsidiary of Japanese pharmaceutical company, Fuji Chemical Industries Co., Ltd.</p>
4	<p>BI Nutraceuticals (310) 663-2162 www.botanicals.com</p> <p>BI is the largest supplier of botanical ingredients in the U.S., for use in pet care, dietary supplements, food & beverage, pharmaceuticals, and personal care products. We manufacture and supply hundreds of products including plant-based powders, extracts, fibers, proteins, vitamin mineral blends, and more.</p> <p>BI was founded in 1978 with 1 milling facility in Long Beach, CA. Since then, we have expanded our operations to include 4 facilities: our sales office in Rancho Dominguez, CA; primary milling services and state-of-the-art laboratories in Reno, NV; particle engineering in Islandia, NY; and extraction in Boonton, NJ.</p> <p>With almost 40 years of experience BI offers extensive sourcing expertise, innovative manufacturing technologies, and superior quality standards. We ensure our products are safe and meet high quality standards with our Protexx HP™ Green Steam™ Sterilization, Identilok® Species Genus authentication technology, and testing methods. We are cGMP compliant; SQF, Organic, Kosher, Halal, Gluten-Free certified; and a NASC preferred supplier</p>
5	<p>Heroes and Horses (406) 284-2870 www.heroesandhorses.org</p> <p>Almost 60,000 veteran-specific nonprofits exist in North America, and billions are spent each year funding initiatives that are focused on supporting these organizations, yet addiction and suicide rates for veterans are on the rise. Something wasn't working. It was time for a different approach.</p> <p>Micah Fink, founder and former Navy Seal, has put together a team of innovators who are on a mission; they are driven, team-oriented, dynamic and performance-based entrepreneurs focused on creating a real and lasting impact in this space. Heroes and Horses is a unique and comprehensive 3-phase program that uses horses and the remote wilderness to shift the veteran's perception of the effects of the combat experience. This is not a vacation, but an opportunity to make a choice.</p>
6	<p>ProFromGo Internet Marketing (412) 530-5027 https://profromgo.com</p> <p>We specialize in inbound marketing, web design, Google business view, and local SEO.</p>

We are experts in innovative formulation and product quality with the ability to manufacture and source a wide variety of delivery options—including extruded chews, extruded sticks, tablets, capsules, powders, gels and liquids—for your unique product. Services are available to customers at any stage in the development process, from initial product idea and formulation through scale up, packaging and distribution of the final, labeled product. As a contract manufacturer of animal health products and treats, we pride ourselves on our commitment to quality and safety throughout the manufacturing process. With over 25 combined years of leadership in the companion animal industry, we’ve formed strategic alliances with reputable animal health organizations around the globe to raise industry standards in the production of companion animal health products and treats. Contact us today to learn how we can help you create your custom animal health product or treat. For more information visit www.greenmountainanimal.com.</p>
