

Comprehensive Ingredient List

AIDP is a leader in functional ingredients with a commitment to source high-quality, safe ingredients. As one of the only suppliers with NSF GMP registration, we take quality seriously. Providing thoroughly tested products in an efficient manner is our guarantee. At AIDP, we supply our customers with the ingredients they need to be successful.

VITAMINS, MINERALS & CAROTENOIDS

Alpha Lipoic Acid	K V
Ascorbic Acid (Vitamin C)	K V
Ascorbic Acid DC 97%	K V
Ascorbyl Palmitate	K V
Beta Carotene	K
Biotin 1% on DCP	K V
Biotin Pure	K V
Calcium Ascorbate	K V
Calcium Ascorbate DC 97%	K V
Calcium L-Threonate	B K V
Cetyl Myristoleate	
Chitosan	
Choline Bitartrate NF11	K V
Choline L-Bitartrate 90%	
Choline L-Bitartrate 1% Coated	K
Co Enzyme Q10	K V
Co Enzyme Q10 10% CWS	B K V
Cyanocobalamin (Vitamin B12)	K V
Folic Acid	K V
Folic Acid 10% on DCP	K V
Inositol Hexanicotinate	K V
Inositol NF12	K V
Lutein 5% Beadlet	K
Methylcobalamin	K V
Methylcobalamin 1% on DCP	V
Niacin (Nicotinic Acid, B3)	K V
Niacinamide (Vitamin B3)	K V
P5P (Pyridoxal 5-Phosphate Monohydrate)	B K V
Riboflavin (Vitamin B2) Powder; 95% Granular	K V
R5P (Riboflavin 5-Phosphate)	B K V
Sodium Ascorbate	K V
TastiMin™ Calcium Glycinate 13%	K V
TastiMin™ Magnesium Glycinate 8%	K V
TastiMin™ Zinc Glycinate 10%	K V
Thiamine HCl (Vitamin B1)	K V
Thiamine Mononitrate (Vitamin B1)	K V
Vitamin A Palmitate 250-enVantec™	B K V
Vitamin A Palmitate 500-enVantec™	B K V
Vitamin A Acetate 250-enVantec™	B K V
Vitamin A Acetate 500-enVantec™	B K V
Vitamin B5 (D-Calcium Pantothenate)	K V
Vitamin B6 (Pyridoxine Hydrochloride)	K V
Vitamin B12 1% on DCP	K V
Vitamin B12 USP	K V
Vitamin C Coated DC	K V
Vitamin D3 100,000 IU	K
Vitamin D3 100,000 IU enVantec™	B K
Vitamin D3 Pure	K
Vitamin E 50% (DL-Alpha Tocopherol Acetate)	K V
Vitamin E Natural 700 IU	K V
Vitamin E Succinate 1185	K V
Vitamin E Succinate 1210	K V
Vitamin K2 MK-4 1% VK2™ Beadlet	K V
Zeaxanthin 5% Beadlet	K V

SPECIALTY

5-HTP	K V
Acesulfame K	B K V
Advantein™ Rice-Pea protein blend	B K V
Alpha Lipoic Acid	K V
Alpha Glycerylphosphorylcholine (Alpha GPC)	K V
Arginine AKG 2:1	K
Betaine Anhydrous (Trimethylglycine, TMG)	K V
Betaine HCl	K V
Caffeine Synthetic & Natural	B K V
Calcium Collagen Chelate-KoAct®	
Cetyl Myristoleate 10%	
Chitosan 90%	
Chitosan 90% HD	
Chondroitin Sulfate 85%; 90%	
Chondroitin Sulfate (Bovine, Chicken, Porcine)	
Chondroitin Sulfate Calcium-CalKon™	
Chondroitin Sulfate Enzymatic HPLC	
Chondroitin Sulfate Beverage Grade	B
Chrysin (5,7-Dihydroxyflavone)	
Collagen I/III Bovine (Hydrolyzed)	K
Collagen II Chicken-kollaGen II-xs™	
Collagen Instagen™ Bovine, Fish	
Creatine Monohydrate	K V
D-Ribose Bioenergy	K V
DHA 14% High Potency enVantec™	
Dindolylmethane	K V
Dimethylaminoethanol Bitartrate (DMAE Bitartrate)	V
Gamma Oryzanol	V
Glucosamine HCl; HCl 95%	
Glucosamine N-Acetyl	
Glucosamine Sulfate Potassium; Sulfate Potassium Low Lead	
Glucosamine Sulfate Sodium Salt	
Glucosamine HCl, Sulfate by Fermentation	V
Hyaluronic acid	B V
Hydrolyzed Collagen I/III(Bovine)	
Indole 3-Carbinol	K V
Inositol Hexaphosphate	K V
Inulin	K V
Melatonin	K V
MSM (Methylsulfonylmethane) 80 mesh	K V
N-Acetyl L-Cysteine	K
N-Acetyl D-Glucosamine	
Octacosanol	V
Pea Protein, organic & non-organic, 80%, 85%	K V
Phytosterol 95% (Beta Sitosterol 40%)	V
Quercetin	K V
Resveratrol 50%; 98%	K V
Rice Protein; Gabiotein™	
Sprouted Brown 80%; 85% organic & non-organic	B K V

HERBALS

Beta Sitosterol 40% (Phytosterol 95%)	V
Cordyceps 7%	V
Epimedium 10%	V
Eurycoma Longifolia Jack LongJax®	V
Grape Seed Extract 95%	V
Green Tea Extract 50% EGCG	B K V
Phosphatidyl Serine 20%; 50%; 70%	K V
Quercetin Dihydrate	V
Rutin	K V
Silymarin 80%	V
Soy Isoflavones 40%	V
Stevia 90%	K V
Turmeric Extract 95%	K V

AMINO ACIDS

Acetyl L-Carnitine HCl	K V
L-Arginine Base	K V
L-Arginine HCl	K V
L-Carnitine Base	V
L-Carnitine Fumarate	V
L-Carnitine Tartrate	K V
L-Carnosine	K V
L-Citrulline	K V
L-Cysteine HCl Anhydrous	K
L-Cystine Base	K
L-Glutamine Fermented	K V
L-Glutathione	K V
Glycine	
L-Histidine HCl Monohydrate	K
L-Isoleucine	
L-Leucine	K
L-Lysine	K V
L-Methionine; DL-Methionine	K V
L-Ornithine HCl	
L-Phenylalanine; DL-Phenylalanine	K V
L-Proline	K V
L-Serine	K V
L-Theanine	K V
Taurine	K V
L-Tyrosine	
L-Valine	

Beverage	B
Kosher	K
Vegetarian	V

Branded Ingredients

With our vast resources, AIDP is ahead of the curve in identifying new product segments and developing proven compounds. Our focus is on extensively researched products that meet consumer demand for wellness and healthy aging and provide proprietary solutions that address formulation challenges. AIDP's success is grounded in its depth of experience and commitment to strong science for functional product development.

Magtein[™] Magnesium L-threonate

Patented Magtein[™] is the only form of magnesium shown to effectively cross the blood brain barrier. It increases brain synaptic density and reduces brain plaque. Four published research studies have demonstrated Magtein's ability to improve short-term and long-term memory, recognition and learning, as well as alleviating anxiety in animal models.

- Self-Affirmed GRAS
- Tasteless, odorless and colorless
- Suitable for tablets, capsules, beverages and functional food applications

www.magtein.com

KoACT[®] Patented Collagen & Calcium Combination

KoACT goes beyond calcium for stronger and more flexible bones. KoACT models the natural bone structure, resulting in more direct bone absorption. In a human clinical trial, KoACT was shown superior to calcium in improving BMD and reversing bone loss.

- KoACT is self-affirmed GRAS.

www.koact.net

enVantec[™]

enVantec[™] Encapsulation Technology provides superior stability during tableting and at elevated temperatures Vegetarian* and Preservative Free Suitable for tablets, capsules, functional food and beverage applications.

- enVantec[™] Vitamin A Palmitate 250 and 500
- enVantec[™] Vitamin A Acetate 250 and 500
- enVantec[™] D3 100,000 IU, from Lanolin (Lambs Wool) *not vegetarian
- enVantec[™] High Potency DHA 14%, Marine Source DHA *not vegetarian

Plant Proteins

While the sport sector has long supported the use of whey and soy, the future of protein lies in formulations that appeal to consumers looking for non-dairy, non-GMO and vegetarian proteins. Protein has become a priority for health seekers and aging Americans. Only AIDP offers the highest quality plant proteins.

- Gabiotein[™], sprouted rice protein, organic & non organic, regular and beverage grade; 80% and 90%
- Advantein[™], a proprietary blend of rice and pea protein delivering a complete amino acid profile
- Pea Protein, organic & non-organic; derived from Canadian peas

calKon[™] Calcium Chondroitin

- Sodium Free Chondroitin Sulfate, offering the benefits of Calcium and Chondroitin without the sodium with NLT 90% Calcium Chondroitin Sulfate, NLT 6% Calcium, NMT 0.5% Sodium.
- Suitable for tablets, capsules and functional food applications.

Soluble Collagens for Beauty

Naticol[®], type I collagen peptide from fish skin and scales

- Clinically proven to improve skin hydration, total skin extensibility and perceived wrinkle reduction
- Neutral taste and odor

Instagen[™], soluble collagen suitable for liquid forms

- Fish and bovine availability

rebevia Rebaudioside-A

- Zero calorie, natural sweetener derived from Stevia
- Suitable for chewable tablets, functional foods and functional beverages

LONG JAX[®] Eurycoma Longifolia Jack

- 20:1 Eurycoma Longifolia Jack Root Powder, Solvent Free,
- Water Extracted
- Suitable for tablets, capsules, soft-gels and powder blends.
